# SEVERE STORM TOYED WITH STOCK MARKET

Played Havoc With Wires and Cut Off Reports.

A FIRM FEELING PREVAILED

Bank Statement Brought About a Favorable Condition-Consolidated Exchange Brokers Compelled to Suspend Business.

NEW YORK, Feb. 21.-The market closed with a firm feeling all around. The fierce storm which raged, however, seriously interfered with the wires and completely shut off reports from Western points. Grain, provisions, and stocks were all incomplete.

The prices in American stocks were again lower in London when the market opened. On the local exchange, however, there were some heavy offerings. The seiling was well absorbed, and the declines were restricted to fractions in prominent stocks. There was considerable improvement noted in everything after the publication of the bank statement. Bonds," however, were irregular.

Offerings were moderate in the more prominent stocks, but prices went to the 476:475gc.

Rye-Market was firm. Stock in elevalowest all around, with the granges and Pacifics most affected. Now and then in some railroad stocks there was an occasional effort to advance prices.

There was a pronounced dip in some inactive and also some leading stocks. Baltimore and Ohio and others figured in it. Albert Freeman & Co., Consolidated Ex-

change brokers, at No. 25 Broad Street, suspended because some 200 customers neglected to put up suffic ent margin yesterday. Four thousand shares of stock were sold for Freeman's account on the floor today.

The firm consists of Albert Freeman alone. He joined the Consolidated Ex-change November 3, 1999, and has done an extensive business on narrow mar-gins. It was announced today that he me business in a few days. The market list, owing to the condition of the wires, was not complete.
